

**Women In Touch**  
**PEN PAL JAIL MINISTRY**

**This month our church launched a new exciting ministry through the exchange of letters with women inmates at the Marion County Jail.**

**God is calling the women in our church to reach out to the "least of them" providing spiritual encouragement. One letter a week can change a life forever!**

**Please come to the front of the sanctuary for a brief informational meeting after church this Sunday, September 30th, or call Ann Kuefner, 854-7141.**
