CHURCH WOMEN'S SIGN UP SHEET TO BE A PART OF THE WIT JAIL PEN PAL MINISTRY

1. **After committing their lives to Christ, most women inmates are eager to have a Christian pen pal.**
2. **Your letters are a form of discipleship training as you will become their role model. They need positive encouragement in their walk with the Lord.**
3. **Please write as soon as possible as many get out of jail or are sent on to another facility within a few weeks.**
4. **If your letter is returned, discontinue writing as they have been released or transferred. If they want to continue being a Pen Pal with you, they will send you a letter with the new address.**

For our records, please sign your name, phone number and the jail pen pal you have chosen. Please print.

God Bless You!
